# DEVELOPMENT LAND – IN FRONT OF FARO AIRPORT

1 800 000,00€

The plot marked in blue corresponds to the land for sale.

The plot marked in red has already been sold to a company from Beja, with construction scheduled to start in March/April, including a project with padel court and swimming pool.

A similar concept may be developed for this plot.

All infrastructure works will be carried out up to the boundary of the plot, resulting in no or very low infrastructure costs for this development.

# DEVELOPMENT LAND – IN FRONT OF FARO AIRPORT

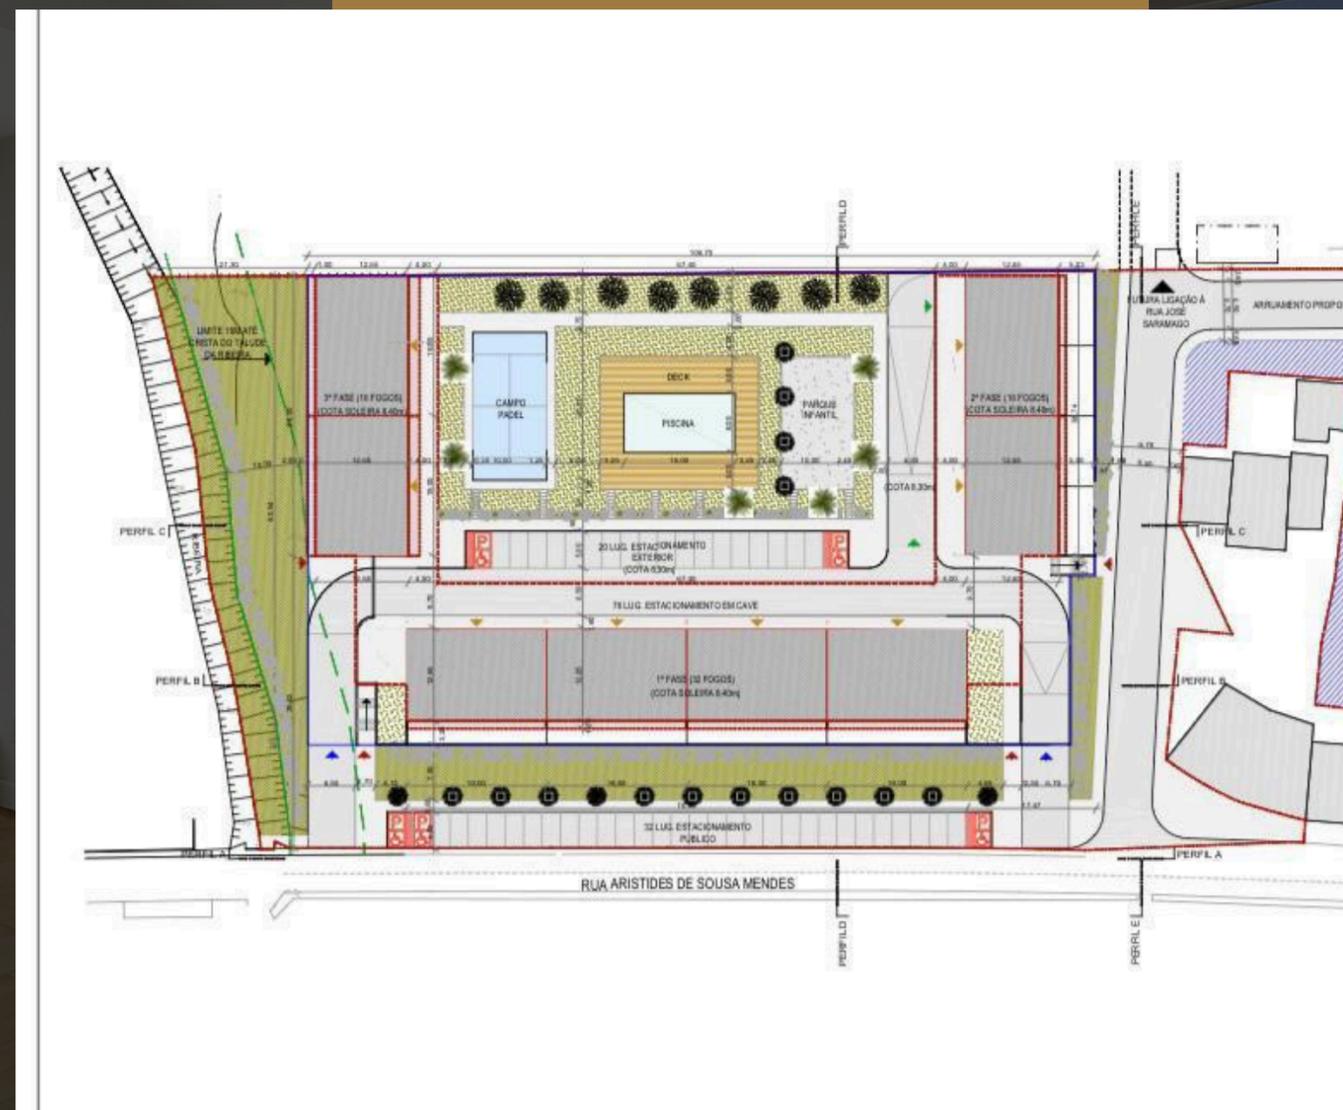

1 800 000,00€

- Land area: 14,107 sqm
- Buildable area: 8,400 sqm
- Maximum number of units: 80

Following the revision of the Faro Municipal Master Plan (PDM), the area is now classified as a Consolidation Zone, allowing construction of up to four floors above ground level.

Strategically located directly in front of Faro Airport, with excellent accessibility and strong development potential.
